Pulsafeeder SPO Pump School Logistics

Costs –

The Pump School classes and all course materials are covered by SPO.
The course includes a lunch each day and a group dinner following the first day of classes.

What is the attendant responsible for?

Transportation to and from Punta Gorda and to and from the SPO facility.
The student is responsible for all other meals and snacks as desired.
Hotel accommodations. Please see the visitor guide for available hotels.

Stuff – What's do I Need to Bring?

The dress is office casual, blue jeans are fine.
Closed toe shoes are required in the Plant and are recommended on Day 2 which includes a plant tour.
Steel toe shoes & hardhats are not required.
Safety glasses with side shields will be provided.
Bring your calculator, laptop or tablet if you wish; wireless internet is provided.

Questions – Who do I Call?

Please contact me with any questions and to make a reservation to attend. Larry Pannell - E-Mail: lpannell@idexcorp.com - Office: 941-575-3822
